## EDUCATION

---

### Ontario College Diploma

Web Development and Internet Applications, Algonquin College | Ottawa, ON      Sept 2023 - Present

- GPA: 3.94 / 4.0
- Dean's Honours List in Fall 2023 and Winter 2024

**Areas of learning:** Front End Development, Back End Development, Database Design and Management, Network Operating Systems

## PROGRAM-RELATED SKILLS

---

**Programming Languages and Frameworks:** Experienced with HTML, CSS, JavaScript, jQuery, Bootstrap, SQL, C#, ASP.NET, Python, and PHP.

**Development Tools:** Familiar with Visual Studio Code, PyCharm, DataGrip, and Figma for coding, design, and prototyping.

**Database Management:** Knowledgeable in configuring, documenting, and maintaining server requirements for application functionality. Skilled in designing, implementing, and maintaining databases to meet specific data retrieval needs.

**Application Development:** Capable of programming and debugging complex applications using various technologies and tools to ensure optimal performance and minimal errors.

**Web Development:** Skilled in creating internet applications that adhere to design best practices, accessibility standards, and client requirements with careful attention to detail.

**Project Management:** Skilled in project management concepts and strategies, contributing effectively as a member of a team for project success with a keen eye for detail.

**Personal and Professional Development:** Proactive in selecting and applying strategies for personal and professional growth to enhance work performance.

**Social Responsibility:** Dedicated to identifying and applying discipline-specific practices that contribute to both local and global communities through social responsibility, economic commitment, and environmental stewardship.

## ACADEMIC PROJECTS

---

### **Figma Project: Movie Database Website UI Design** | Graphics Technologies Course March 2024

- Designed the user interface for a movie database website using Figma, incorporating best practices in user experience and interface design.
  - Created wireframes and prototypes to visualize the layout and flow of the website.
  - Collaborated with team members to gather feedback and iterate on the design, demonstrating effective communication and teamwork skills.
  - Presented the final UI design to class, showcasing creativity and attention to detail in design choices.
- 

### **Movie Database Website Project** | Cross Platform Web Design Course November 2023

- Collaborated with classmates to design and develop a movie database website, leveraging team dynamics and communication skills to achieve project goals.
- Utilized TMDB API to fetch movie data and integrate it into the website.
- Served as a front-end developer, leading the design and implementation of user interface components, showcasing expertise in HTML, CSS, and JavaScript.
- Implemented responsive design principles to ensure an optimal viewing experience across various devices, showcasing adaptability and problem-solving skills.
- Successfully developed and launched a user-friendly movie database website, meeting all project requirements and deadlines, and demonstrating project management and time management skills.

## WORK EXPERIENCE

---

### **Cashier Assistant** | Costco Wholesale | Ottawa, ON Sep 2023 - Present

- Packed member orders efficiently, maintained cleanliness, and provided exceptional member service to ensure a positive shopping experience. Demonstrated strong organizational skills by streamlining packing processes.
- Assisted cashiers during promotions, retrieved carts, and restocked merchandise, contributing to the smooth operation of the store. Managed multiple tasks effectively to reduce wait times at checkout.
- Collaborated with team members to efficiently manage checkout lines during peak hours, minimizing wait times for members. Coordinated with colleagues to improve customer satisfaction.
- Addressed customer inquiries and resolved issues promptly, enhancing overall customer satisfaction. Effectively communicated with customers to resolve concerns.
- Received consistent positive feedback from supervisors for consistently exceeding performance targets. Demonstrated dedication and a strong work ethic, contributing to a positive team culture.
